Sign a Farm Safety Contract with your Kids **This Ag Safety Week**

Your family is your pride and joy. Your kids are smart and hard-working, but raising kids is a tough business, just like farming.

You can give your kids the farm upbringing you've always wanted for them, and keep them safe at the same time.

So this Canadian Ag Safety Week, take the time to talk to your kids about the hazards on your farm. Visit agsafetyweek.ca and download the Kid Parent Farm Safety Contract. Take the time, write down the rules for your farm and sign it with your kids.
