Play Areas that Keep Kids Safe

Do your kids have a safe place to explore, run, jump and play on your farm? Do you ever worry they might wander into a dangerous situation? Why not create a safe play area on your farm?

Six steps will help keep your kids safe. It takes a little planning, a little work and some time to create a safe play area for the children on your farm! Just remember – play areas aren't a substitute for supervision!

This Ag Safety Week, Be An AgSafe Family by Keeping Kids Safe. For more information on building a safe play area, visit agsafetyweek.ca.
