FOR IMMEDIATE RELEASE
March 3, 2017

Say No to Extra Riders

Operators of farm machinery know that you have to be buckled in securely because turns, rough ground and sudden stops can throw you off.

Each year, extra riders on farm machinery die because they've been thrown or runover.

Remember, no seat, no rider.

This Canadian Ag Safety week, make the commitment to your farm, your family and yourself. Say no to extra riders.

For more information on Ag Safety Week, visit agsafetyweek.ca.
